CERTIFICATE OF COVERAGE

Unum Life Insurance Company of America (referred to as Unum) welcomes you as a client.

This is your certificate of coverage as long as you are eligible for coverage and you become insured. You will want to read it carefully and keep it in a safe place.

Unum has written your certificate of coverage in plain English. However, a few terms and provisions are written as required by insurance law. If you have any questions about any of the terms and provisions, please consult Unum's claims paying office. Unum will assist you in any way to help you understand your benefits.

If the terms and provisions of the certificate of coverage (issued to you) are different from the Summary of Benefits (issued to the Employer), the Summary of Benefits will govern. The Summary of Benefits may be changed in whole or in part. Only an officer or registrar of Unum can approve a change. The approval must be in writing and endorsed on or attached to the Summary of Benefits. Any other person, including an agent, may not change the Summary of Benefits or waive any part of it.

The Summary of Benefits is delivered in and is governed by the laws of the governing jurisdiction and to the extent applicable by the Employee Retirement Income Security Act of 1974 (ERISA) and any amendments. When making a benefit determination under the Summary of Benefits, Unum has discretionary authority to determine your eligibility for benefits and to interpret the terms and provisions of the Summary of Benefits.

For purposes of effective dates and ending dates under the group Summary of Benefits, all days begin at 12:01 a.m. and end at 12:00 midnight at the Employer's address.

CLAIM INFORMATION

LIFE INSURANCE

WHEN DO YOU OR YOUR AUTHORIZED REPRESENTATIVE NOTIFY UNUM OF A CLAIM?

We encourage you or your authorized representative to notify us as soon as possible, so that a claim decision can be made in a timely manner.

If a claim is based on your disability, written notice and proof of claim must be sent no later than 90 days after the end of the elimination period.

If a claim is based on death, written notice and proof of claim must be sent no later than 90 days after the date of death.

If it is not possible to give proof within these time limits, it must be given no later than 1 year after the proof is required as specified above. These time limits will not apply during any period you or your authorized representative lacks the legal capacity to give us proof of claim.

The claim form is available from your Employer, or you or your authorized representative can request a claim form from us. If you or your authorized representative does not receive the form from Unum within 15 days of the request, send Unum written proof of claim without waiting for the form.

If you have a disability, you must notify us immediately when you return to work in any capacity, regardless of whether you are working for your Employer.

HOW DO YOU FILE A CLAIM FOR A DISABILITY?

You or your authorized representative, and your Employer must fill out your own sections of the claim form and then give it to your attending physician. Your physician should fill out his or her section of the form and send it directly to Unum.

WHAT INFORMATION IS NEEDED AS PROOF OF YOUR CLAIM?

If your claim is based on your disability, your proof of claim, provided at your expense, must show:

- that you are under the **regular care** of a **physician**;
- the date your disability began;
- the cause of your disability;
- the extent of your disability, including restrictions and limitations preventing you from performing your regular occupation or any gainful occupation; and
- the name and address of any **hospital or institution** where you received treatment, including all attending physicians.

We may request that you send proof of continuing disability indicating that you are under the regular care of a physician. This proof, provided at your expense, must be received within 45 days of a request by us.

If claim is based on death, proof of claim, provided at your or your authorized representative's expense, must show the cause of death. Also a certified copy of the death certificate must be given to us.

In some cases, you will be required to give Unum authorization to obtain additional medical and non-medical information as part of your proof of claim or proof of continuing disability. Unum will deny your claim if the appropriate information is not submitted.

WHEN CAN UNUM REQUEST AN AUTOPSY?

In the case of death, Unum will have the right and opportunity to request an autopsy where not forbidden by law.

HOW DO YOU DESIGNATE OR CHANGE A BENEFICIARY? (Beneficiary Designation)

At the time you become insured, you should name a beneficiary on your enrollment form for your death benefits under your life insurance. You may change your beneficiary at any time by filing a form approved by Unum with your Employer. The new beneficiary designation will be effective as of the date you sign that form. However, if we have taken any action or made any payment before your Employer receives that form, that change will not go into effect.

It is important that you name a beneficiary and keep your designation current. If more than one beneficiary is named and you do not designate their order or share of payments, the beneficiaries will share equally. The share of a beneficiary who dies before you, or the share of a beneficiary who is disqualified, will pass to any surviving beneficiaries in the order you designated.

If you do not name a beneficiary, or if all named beneficiaries do not survive you, or if your named beneficiary is disqualified, your death benefit will be paid to your estate.

Instead of making a death payment to your estate, Unum has the right to make payment to the first surviving family members of the family members in the order listed below:

- spouse;
- child or children;
- mother or father; or
- sisters or brothers.

If we are to make payments to a beneficiary who lacks the legal capacity to give us a release, Unum may pay up to \$2,000 to the person or institution that appears to have assumed the custody and main support of the beneficiary. This payment made in good faith satisfies Unum's legal duty to the extent of that payment and Unum will not have to make payment again.

Also, at Unum's option, we may pay up to \$1,000 to the person or persons who, in our opinion, have incurred expenses for your last sickness and death.

In addition, if you do not survive your spouse, and dependent life coverage is continued, then your surviving spouse should name a beneficiary according to the requirements specified above for you.

HOW WILL UNUM MAKE PAYMENTS?

If your or your dependent's life claim is at least \$10,000, Unum will make available to the beneficiary a **retained asset account** (the Unum Security Account).

Payment for the life claim may be accessed by writing a draft in a single sum or drafts in smaller sums. The funds for the draft or drafts are fully guaranteed by Unum.

If the life claim is less than \$10,000, Unum will pay it in one lump sum to you or your beneficiary.

Also, you or your beneficiary may request the life claim to be paid according to one of Unum's other settlement options. This request must be in writing in order to be paid under Unum's other settlement options.

If you do not survive your spouse, and dependent life coverage is continued, then your surviving spouse's death claim will be paid to your surviving spouse's beneficiary.

All other benefits will be paid to you.

WHAT HAPPENS IF UNUM OVERPAYS YOUR CLAIM?

Unum has the right to recover any overpayments due to:

- fraud; and
- any error Unum makes in processing a claim.

You must reimburse us in full. We will determine the method by which the repayment is to be made.

Unum will not recover more money than the amount we paid you.

WHAT ARE YOUR ASSIGNABILITY RIGHTS FOR THE DEATH BENEFITS UNDER YOUR LIFE INSURANCE? (Assignability Rights)

The rights provided to you by the plan for life insurance are owned by you, unless:

- you have previously assigned these rights to someone else (known as an "assignee"); or
- you assign your rights under the plan(s) to an assignee.

We will recognize an assignee as the owner of the rights assigned only if:

- the assignment is in writing, signed by you, and acceptable to us in form; and
- a signed or certified copy of the written assignment has been received and registered by us at our home office.

We will not be responsible for the legal, tax or other effects of any assignment, or for any action taken under the plan(s') provisions before receiving and registering an assignment.

IMPORTANT INFORMATION REGARDING THE ACCELERATED BENEFIT

The insurance evidenced by this certificate provides life insurance, with the accelerated benefit option (An accelerated payment of your or your dependent's death benefit as a result of a terminal illness which reduces life expectancy to less than 12 months).

- Receipt of these accelerated benefits may be taxable. Assistance should be sought from a personal tax advisor.
- Example of accelerated benefit amount and the effect of the payment on the remaining amount of life insurance.

\$75,000	Your life amount
\$37,500	The accelerated benefit amount (accelerated payment of your death benefit)
\$37,500	The amount of life insurance remaining after payment of the accelerated benefit. (This is what will be paid to the beneficiary upon your death).

- There may be up to a 3% adjustment to the manual rates for this accelerated benefit.

HOW CAN STATEMENTS MADE IN YOUR APPLICATION FOR THIS COVERAGE BE USED?

Unum considers any statements you or your Employer make in a signed application for coverage or an evidence of insurability form a representation and not a warranty. If any of the statements you or your Employer make are not complete and/or not true at the time they are made, we can:

- reduce or deny any claim; or
- cancel your coverage from the original effective date.

We will use only statements made in a signed application or an evidence of insurability form as a basis for doing this.

Except in the case of fraud, Unum can take action only in the first 2 years coverage is in force.

If the Employer gives us information about you that is incorrect, we will:

- use the facts to decide whether you have coverage under the plan and in what amounts; and
- make a fair adjustment of the premium.

HOW WILL UNUM HANDLE INSURANCE FRAUD?

Unum wants to ensure you and your Employer do not incur additional insurance costs as a result of the undermining effects of insurance fraud. Unum promises to focus on all means necessary to support fraud detection, investigation, and prosecution.

It is a crime if you knowingly, and with intent to injure, defraud or deceive Unum, or provide any information, including filing a claim, that contains any false, incomplete or misleading information. These actions, as well as submission of materially false information, will result in denial of your claim, and are subject to prosecution and punishment to the full extent under state and/or federal law. Unum will pursue all appropriate legal remedies in the event of insurance fraud.

DOES THE SUMMARY OF BENEFITS REPLACE OR AFFECT ANY WORKERS' COMPENSATION OR STATE DISABILITY INSURANCE?

The Summary of Benefits does not replace or affect the requirements for coverage by any workers' compensation or state disability insurance.

- you refuse to have an examination by a physician chosen by Unum;
- you reach age 65; or
- premium has been waived for 12 months and you are considered to reside outside the United States. You will be considered to reside outside the United States when you have been outside the United States for a total period of 6 months or more during any 12 consecutive months for which premium has been waived.

HOW DOES UNUM DEFINE DISABILITY?

You are disabled when Unum determines that:

- during the elimination period, you are not working in any occupation due to your **injury** or **sickness**; and
- after the elimination period, due to the same injury or sickness, you are unable to perform the duties of any **gainful occupation** for which you are reasonably fitted by training, education or experience.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

We may require you to be examined by a physician, other medical practitioner or vocational expert of our choice. Unum will pay for this examination. We can require an examination as often as it is reasonable to do so. We may also require you to be interviewed by an authorized Unum Representative.

APPLYING FOR LIFE INSURANCE PREMIUM WAIVER

Ask your Employer for a life insurance premium waiver claim form.

The form has instructions on how to complete and where to send the claim.

WHAT INSURANCE IS AVAILABLE WHILE YOU ARE SATISFYING THE DISABILITY REQUIREMENTS? (See Conversion Privilege)

You may use this life conversion privilege when your life insurance terminates while you are satisfying the disability requirements. Please refer to the conversion privilege below. You are not eligible to apply for this life conversion if you return to work and, again, become covered under the plan.

If an individual life insurance policy is issued to you, any benefit for your death under this plan will be paid only if the individual policy is returned for surrender to Unum. Unum will refund all premiums paid for the individual policy.

The amount of your death benefit will be paid to your named beneficiary for the plan. If, however, you named a different beneficiary for the individual policy and the policy is returned to Unum for surrender, that different beneficiary will not be paid.

If you want to name a different beneficiary for this group plan, you must change your beneficiary as described in the Beneficiary Designation page of this group plan.

WHAT INSURANCE IS AVAILABLE WHEN COVERAGE ENDS? (Conversion Privilege)

When coverage ends under the plan, you and your dependents can convert your coverages to individual life policies, without evidence of insurability. The maximum amounts that you can convert are the amounts you and your dependents are insured for under the plan. You may convert a lower amount of life insurance.

You and your dependents must apply for individual life insurance under this life conversion privilege and pay the first premium within 31 days after the date:

- your employment terminates; or
- you or your dependents no longer are eligible to participate in the coverage of the plan.

If you convert to an individual life policy, then return to work, and, again, become insured under the plan, you are not eligible to convert to an individual life policy again. However, you do not need to surrender that individual life policy when you return to work.

Converted insurance may be of any type of the level premium whole life plans then in use by Unum. The person may elect one year of Preliminary Term insurance under the level premium whole life policy. The individual policy will not contain disability or other extra benefits.

WHAT LIMITED CONVERSION IS AVAILABLE IF THE SUMMARY OF BENEFITS OR THE PLAN IS CANCELLED? (Conversion Privilege)

You and your dependents may convert a limited amount of life insurance if you have been insured under your Employer's group plan with Unum for at least five (5) years and the Summary of Benefits or the plan:

- is cancelled with Unum; or
- changes so that you no longer are eligible.

The individual life policy maximum for each of you will be the lesser of:

- \$10,000; or
- your or your dependent's coverage amounts under the plan less any amounts that become available under any other group life plan offered by your Employer within 31 days after the date the Summary of Benefits or the plan is cancelled.

PREMIUMS

Premiums for the converted insurance will be based on:

- the person's then attained age on the effective date of the individual life policy;
- the type and amount of insurance to be converted;
- Unum's customary rates in use at that time; and
- the class of risk to which the person belongs.

If the premium payment has been made, the individual life policy will be effective at the end of the 31 day conversion application period.

DEATH DURING THE THIRTY-ONE DAY CONVERSION APPLICATION PERIOD

If you or your dependents die within the 31 day conversion application period, Unum will pay the beneficiary(ies) the amount of insurance that could have been converted. This coverage is available whether or not you have applied for an individual life policy under the conversion privilege.

APPLYING FOR CONVERSION

Ask your Employer for a conversion application form which includes cost information.

When you complete the application, send it with the first premium amount to:

WILL UNUM ACCELERATE YOUR OR YOUR DEPENDENT'S DEATH BENEFIT FOR THE PLAN IF YOU OR YOUR DEPENDENT BECOMES TERMINALLY ILL? (Accelerated Benefit)

If you or your dependent becomes terminally ill while you or your dependent is insured by the plan, Unum will pay you a portion of your or your dependent's life

insurance benefit one time. The payment will be based on 50% of your or your dependent's life insurance amount. However, the one-time benefit paid will not be greater than \$750,000.

Your or your dependent's right to exercise this option and to receive payment is subject to the following:

- you or your dependent requests this election, in writing, on a form acceptable to Unum;
- you or your dependent must be terminally ill at the time of payment of the Accelerated Benefit;
- your or your dependent's physician must certify, in writing, that you or your dependent is terminally ill and your or your dependent's life expectancy has been reduced to less than 12 months; and
- the physician's certification must be deemed satisfactory to Unum.

The Accelerated Benefit is available on a voluntary basis. Therefore, you or your dependent is not eligible for benefits if:

- you or your dependent is required by law to use this benefit to meet the claims of creditors, whether in bankruptcy or otherwise; or
- you or your dependent is required by a government agency to use this benefit in order to apply for, get, or otherwise keep a government benefit or entitlement.

Premium payments must continue to be paid on the full amount of life insurance unless you qualify to have your life premium waived.

Also, premium payments must continue to be paid on the full amount of your dependent's life insurance.

If you have assigned your rights under the plan to an assignee or made an irrevocable beneficiary designation, Unum must receive consent, in writing, that the assignee or irrevocable beneficiary has agreed to the Accelerated Benefit payment on your behalf in a form acceptable to Unum before benefits are payable.

An election to receive an Accelerated Benefit will have the following effect on other benefits:

- the death benefit payable will be reduced by any amount of Accelerated Benefit that has been paid; and
- any amount of life insurance that would be continued under a disability continuation provision or that may be available under the conversion privilege will be reduced by the amount of the Accelerated Benefit paid. The remaining life insurance amount will be paid according to the terms of the Summary of Benefits subject to any reduction and termination provisions.

Benefits paid may be taxable. Unum is not responsible for any tax or other effects of any benefit paid. As with all tax matters, you or your dependent should consult your personal tax advisor to assess the impact of this benefit.

WHAT LOSSES ARE NOT COVERED UNDER YOUR PLAN?

Your plan does not cover any losses where death is caused by, contributed to by, or results from:

- suicide occurring within 24 months after your or your dependent's initial effective date of insurance; and
- suicide occurring within 24 months after the date any increases or additional insurance become effective for you or your dependent.

The suicide exclusion will apply to any amounts of insurance for which you pay all or part of the premium.

The suicide exclusion also will apply to any amount that is subject to evidence of insurability requirements and Unum approves the evidence of insurability form and the amount you or your dependent applied for at that time.

LIFE INSURANCE

OTHER BENEFIT FEATURES

WHAT COVERAGE IS AVAILABLE IF YOU END EMPLOYMENT OR YOU WORK REDUCED HOURS? (Portability)

If your employment ends with or you retire from your Employer or you are working less than the minimum number of hours as described under Eligible Groups in this plan, you may elect portable coverage for yourself and your dependents.

In case of your death, your insured dependents also may elect portable coverage for themselves. However, children cannot become insured for portable coverage unless the spouse also becomes insured for portable coverage.

PORTABLE INSURANCE COVERAGE AND AMOUNTS AVAILABLE

The portable insurance coverage will be the current coverage and amounts that you and your dependents are insured for under your Employer's group plan.

However, the amount of portable coverage for you will not be more than:

- the highest amount of life insurance available for employees under the plan; or
- 5x your annual earnings; or
- \$750,000 from all Unum group life and accidental death and dismemberment plans combined,

whichever is less.

The amount of ported life insurance must be equal to or greater than the amount of ported accidental death and dismemberment insurance.

The amount of portable coverage for your spouse will not be more than:

- the highest amount of life insurance available for spouses under the plan; or
- 50% of your amount of portable coverage; or
- \$750,000 from all Unum group life and accidental death and dismemberment plans combined,

whichever is less.

The amount of ported life insurance must be equal to or greater than the amount of ported accidental death and dismemberment insurance.

The amount of portable coverage for a child will not be more than:

- the highest amount of life insurance available for children under the plan; or
- 50% of your amount of portable coverage; or
- \$20,000,

whichever is less.

The amount of ported life insurance must be equal to or greater than the amount of ported accidental death and dismemberment insurance.

The minimum amount of coverage that can be ported is \$5,000 for you and \$1,000 for your dependents. If the current amounts under the plan are less than \$5,000 for you and \$1,000 for your dependents you and your dependents may port the lesser amounts.

Your or your dependent's amount of life insurance will reduce or cease at any time it would reduce or cease for your eligible group if you had continued in active employment with your Employer.

APPLYING FOR PORTABLE COVERAGE

You must apply for portable coverage for yourself and your dependents and pay the first premium within 31 days after the date:

- your coverage ends or you retire from your Employer; or
- you begin working less than the minimum number of hours as described under Eligible Groups in this plan.

Your dependents must apply for portable coverage and pay the first premium within 31 days after the date you die.

You are not eligible to apply for portable coverage for yourself if:

- you have an **injury** or **sickness**, under the terms of this plan, which has a material effect on life expectancy;
- the policy is cancelled (the Policy is the group policy issued to the Trustees of the Select Group Insurance Trust in which your Employer participates); or
- you failed to pay the required premium under the terms of this plan.

You are not eligible to apply for portable coverage for a dependent if:

- you do not elect portable coverage for yourself;
- you have an injury or sickness, under the terms of this plan, which has a material effect on life expectancy;
- your dependent has an injury or sickness, under the terms of this plan, which has a material effect on life expectancy;
- the policy is cancelled (the Policy is the group policy issued to the Trustees of the Select Group Insurance Trust in which your Employer participates); or
- you failed to pay the required premium under the terms of this plan.

In case of your death, your spouse is not eligible to apply for portable coverage if:

- your surviving spouse is not insured under this plan;
- your surviving spouse has an injury or sickness, under the terms of this plan, which has a material effect on life expectancy;
- the policy is cancelled (the Policy is the group policy issued to the Trustees of the Select Group Insurance Trust in which your Employer participates); or
- you failed to pay the required premium under the terms of this plan for your spouse.

In case of your death, your child is not eligible for portable coverage if:

- your surviving spouse is not insured under this plan;

- your surviving spouse is insured under this plan and chooses not to elect portable coverage;
- your surviving spouse has an injury or sickness, under the terms of this plan, which has a material effect on life expectancy;
- your child has an injury or sickness, under the terms of this plan, which has a material effect on life expectancy;
- the policy is cancelled (the Policy is the group policy issued to the Trustees of the Select Group Insurance Trust in which your Employer participates); or
- you failed to pay the required premium under the terms of this plan for your child.

If we determine that because of an injury or sickness, which has a material effect on life expectancy, you or your dependents were not eligible for portability at the time you or your dependents elected portable coverage, the benefit will be adjusted to the amount of whole life coverage the premium would have purchased under the Conversion Privilege.

APPLYING FOR INCREASES OR DECREASES IN PORTABLE COVERAGE

You or your dependents may increase or decrease the amount of life insurance coverage. The minimum and maximum benefit amounts are shown above. However, the amount of life insurance coverage cannot be decreased below \$5,000 for you and \$1,000 for your dependents. All increases are subject to evidence of insurability. Portable coverage will reduce at the ages and amounts shown in the LIFE INSURANCE "**BENEFITS AT A GLANCE**" page.

ADDING PORTABLE COVERAGE FOR DEPENDENTS

If you choose not to enroll your dependents when your dependents were first eligible for portable coverage, you may enroll your dependents at any time for the amounts allowed under the group plan. Evidence of insurability is required.

You may enroll newly acquired dependents at any time for the amounts allowed under the group plan. Evidence of insurability is required.

WHEN PORTABLE COVERAGE ENDS

Portable coverage for you will end for the following reasons:

- the date you fail to pay any required premium; or
- the date the policy is cancelled (the Policy is the group policy issued to the Trustees of the Select Group Insurance Trust in which your Employer participates).

Portable coverage for a spouse will end for the following reasons:

- the date you fail to pay any required premium;
- the date your surviving spouse fails to pay any required premium; or

Portable coverage for a child will end for the following reasons:

- the date you fail to pay any required premium;

- the date the policy is cancelled (the Policy is the group policy issued to the Trustees of the Select Group Insurance Trust in which your Employer participates);
- the date your child no longer qualifies as a dependent; or
- the date the surviving spouse dies.

If portable coverage ends due to failure to pay required premium, portable coverage cannot be reinstated.

PREMIUM RATE CHANGES FOR PORTABLE COVERAGE

Unum may change premium rates for portable coverage at any time for reasons which affect the risk assumed, including those reasons shown below:

- changes occur in the coverage levels;
- changes occur in the overall use of benefits by all insureds;
- changes occur in other risk factors; or
- a new law or a change in any existing law is enacted which applies to portable coverage.

The change in premium rates will be made on a class basis according to Unum's underwriting risk studies. Unum will notify the insured in writing at least 31 days before a premium rate is changed.

APPLYING FOR CONVERSION, IF PORTABLE COVERAGE ENDS OR IS NOT AVAILABLE

If you or your dependent is not eligible to apply for portable coverage or portable coverage ends, then you or your dependent may qualify for conversion coverage. Refer to Conversion Privilege under this plan.

EMPLOYER'S RIGHT TO REQUEST SUMMARY OF BENEFITS CHANGE

The Employer can request a Summary of Benefits change. Only an officer or registrar of Unum can approve a change. The change must be in writing and endorsed on or attached to the Summary of Benefits.

MODIFYING OR CANCELLING THE SUMMARY OF BENEFITS OR A PLAN UNDER THE SUMMARY OF BENEFITS

The Summary of Benefits or a plan under the Summary of Benefits can be cancelled:

- by Unum; or
- by the Employer.

Unum may cancel or modify the Summary of Benefits or a plan if:

- for a plan with less than 200 eligible employees, the number of employees insured is less than 15 lives or 25% of those eligible, whichever is greater; or
- for a plan with 200 or more eligible employees, the number of employees insured is less than 50 lives or 15% of those eligible, whichever is greater; or
- the Employer does not promptly provide Unum with information that is reasonably required; or
- the Employer fails to perform any of its obligations that relate to the Summary of Benefits; or
- the premium is not paid in accordance with the provisions of the Summary of Benefits that specify whether the Employer, the employee, or both, pay the premiums; or
- the Employer does not promptly report to Unum the names of any employees who are added or deleted from the eligible group; or
- Unum determines that there is a significant change, in the size, occupation or age of the eligible group as a result of a corporate transaction such as a merger, divestiture, acquisition, sale, or reorganization of the Employer and/or its employees; or

- the Employer fails to pay any portion of the premium within the 31 day grace period.

If Unum cancels or modifies the Summary of Benefits or a plan, for reasons other than the Employer's failure to pay premium, a written notice will be delivered to the Employer at least 31 days prior to the cancellation date or modification date. The Employer may cancel the Summary of Benefits or plan if the modifications are unacceptable.

If any portion of the premium is not paid during the grace period, Unum will either cancel or modify the Summary of Benefits or a plan automatically at the end of the grace period. The Employer is liable for premium for coverage during the grace period. The Employer must pay Unum all premium due for the full period each plan is in force.

The Employer may cancel the Summary of Benefits or a plan by written notice delivered to Unum at least 31 days prior to the cancellation date. When both the Employer and Unum agree, the Summary of Benefits or a plan can be cancelled on an earlier date. If Unum or the Employer cancels the Summary of Benefits or a plan, coverage will end at 12:00 midnight on the last day of coverage.

If the Summary of Benefits or a plan is cancelled, the cancellation will not affect a payable claim.

HOW TO FILE A CLAIM

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. To complete your claim filing, Unum must receive the claim information it requests from you (or your authorized representative), your attending physician and your Employer. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly.

CLAIMS PROCEDURES

If a claim is based on death

In the event that your claim is denied, either in full or in part, Unum will notify you in writing within 90 days after your claim was filed. Under special circumstances, Unum is allowed an additional period of not more than 90 days (180 days in total) within which to notify you of its decision. If such an extension is required, you will receive a written notice from Unum indicating the reason for the delay and the date you may expect a final decision. Unum's notice of denial shall include:

- the specific reason or reasons for denial with reference to those Plan provisions on which the denial is based;
- a description of any additional material or information necessary to complete the claim and why that material or information is necessary; and
- a description of the Plan's procedures and applicable time limits for appealing the determination, including a statement of your right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal.

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

If a claim is based on your disability

Unum will give you notice of the decision no later than 45 days after the claim is filed. This time period may be extended twice by 30 days if Unum both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you of the circumstances requiring the extension of time and the date by which Unum expects to render a decision. If such an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days within which to provide the specified information. If you deliver the requested information within the time specified, any 30 day extension period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your claim without that information.

If your claim for benefits is wholly or partially denied, the notice of adverse benefit determination under the Plan will:

- state the specific reason(s) for the determination;
- reference specific Plan provision(s) on which the determination is based;
- describe additional material or information necessary to complete the claim and why such information is necessary;
- describe Plan procedures and time limits for appealing the determination, and your right to obtain information about those procedures and the right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal; and
- disclose any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or state that such information will be provided free of charge upon request).

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

APPEAL PROCEDURES

If an appeal is based on death

If you or your authorized representative appeal a denied claim, it must be submitted within 90 days after you receive Unum's notice of denial. You have the right to:

- submit a request for review, in writing, to Unum;
- upon request and free of charge, reasonable access to and copies of, all relevant documents as defined by applicable U.S. Department of Labor regulations; and
- submit written comments, documents, records and other information relating to the claim to Unum.

Unum will make a full and fair review of the claim and all new information submitted whether or not presented or available at the initial determination, and may require additional documents as it deems necessary or desirable in making such a review. A final decision on the review shall be made not later than 60 days following receipt of the written request for review. If special circumstances require an extension of time for processing, you will be notified of the reasons for the extension and the date by which the Plan expects to make a decision. If an extension is required due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the necessary information and the date by which you need to provide it to us. The 60-day extension of the appeal review period will begin after you have provided that information.

The final decision on review shall be furnished in writing and shall include the reasons for the decision with reference, again, to those Summary of Benefits' provisions upon which the final decision is based. It will also include a statement describing your access to documents and describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the determination.

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

If an appeal is based on your disability

You have 180 days from the receipt of notice of an adverse benefit determination to file an appeal. Requests for appeals should be sent to the address specified in the claim denial. A decision on review will be made not later than 45 days following receipt of the written request for review. If Unum determines that special circumstances require an extension of time for a decision on review, the review period may be extended by an additional 45 days (90 days in total). Unum will notify you in writing if an additional 45 day extension is needed.

If an extension is necessary due to your failure to submit the information necessary to decide the appeal, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days to provide the specified information. If you deliver the requested information within the time specified, the 45 day extension of the appeal period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your appeal without that information.

You will have the opportunity to submit written comments, documents, or other information in support of your appeal. You will have access to all relevant documents as defined by applicable U.S. Department of Labor regulations. The review of the adverse benefit determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

The review will be conducted by Unum and will be made by a person different from the person who made the initial determination and such person will not be the original decision maker's subordinate. In the case of a claim denied on the grounds

of a medical judgment, Unum will consult with a health professional with appropriate training and experience. The health care professional who is consulted on appeal will not be the individual who was consulted during the initial determination or a subordinate. If the advice of a medical or vocational expert was obtained by the Plan in connection with the denial of your claim, Unum will provide you with the names of each such expert, regardless of whether the advice was relied upon.

A notice that your request on appeal is denied will contain the following information:

- the specific reason(s) for the determination;
- a reference to the specific Plan provision(s) on which the determination is based;
- a statement disclosing any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or a statement that such information will be provided free of charge upon request);
- a statement describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the decision;
- the statement that you are entitled to receive upon request, and without charge, reasonable access to or copies of all documents, records or other information relevant to the determination; and
- the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency".

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

YOUR RIGHTS UNDER ERISA

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, all documents governing the Plan, including insurance contracts, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your Employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits that is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, if, for example, it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

OTHER RIGHTS

Unum, for itself and as claims fiduciary for the Plan, is entitled to legal and equitable relief to enforce its right to recover any benefit overpayments caused by your receipt

of deductible sources of income from a third party. This right of recovery is enforceable even if the amount you receive from the third party is less than the actual loss suffered by you but will not exceed the benefits paid you under the Summary of Benefits. You agree that Unum and the Plan have an equitable lien over such sources of income until any benefit overpayments have been recovered in full.

DISCRETIONARY ACTS

The Plan, acting through the Plan Administrator, delegates to Unum and its affiliate Unum Group discretionary authority to make benefit determinations under the Plan. Unum and Unum Group may act directly or through their employees and agents or further delegate their authority through contracts, letters or other documentation or procedures to other affiliates, persons or entities. Benefit determinations include determining eligibility for benefits and the amount of any benefits, resolving factual disputes, and interpreting and enforcing the provisions of the Plan. All benefit determinations must be reasonable and based on the terms of the Plan and the facts and circumstances of each claim.

Once you are deemed to have exhausted your appeal rights under the Plan, you have the right to seek court review under Section 502(a) of ERISA of any benefit determinations with which you disagree. The court will determine the standard of review it will apply in evaluating those decisions.

**Addendum to the "Additional Summary Plan Description Information"
included with your certificate of coverage or summary of benefits
and effective for claims filed on or after April 1, 2018.**

The regulations governing ERISA disability claims and appeals have been amended. The amended regulations apply to disability claims filed on or after April 1, 2018. To the extent the Additional Summary Plan Description Information included with your certificate of coverage or summary of benefits conflicts with these new requirements, these new rights and procedures will apply.

These new rights and procedures include:

Any cancellation or discontinuance of your disability coverage that has a retroactive effect will be treated as an adverse benefit determination, except in the case of failure to timely pay required premiums or contributions toward the cost of coverage.

If you live in a county with a significant population of non-English speaking persons, the plan will provide, in the non-English language(s), a statement of how to access oral and written language services in those languages.

For any adverse benefit determination, you will be provided with an explanation of the basis for disagreeing or not following the views of: (1) health care professionals who have treated you or vocational professionals who have evaluated you; (2) the advice of medical or vocational professionals obtained on behalf of the plan; and (3) any disability determination made by the Social Security Administration regarding you and presented to the plan by you.

For any adverse benefit determination, you will be given either the specific internal rules, guidelines, protocols, standards or other similar criteria of the plan relied upon in making that decision, or a statement that such rules, etc. do not exist.

Prior to a final decision being made on an appeal, you will have the opportunity to review and respond to any new or additional rationale or evidence considered, relied upon, or generated by the plan in connection with your claim.

If an adverse benefit determination is upheld on appeal, you will be given notice of any applicable contractual limitations period that applies to your right to bring legal proceedings and the calendar date on which that period expires.

Should the plan fail to establish or follow ERISA required disability claims procedures, you may be entitled to pursue legal remedies under section 502(a) of the Act without exhausting your administrative remedies, as more completely set forth in section 503-1(l).

LIMITATIONS AND EXCLUSIONS UNDER THE ARKANSAS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of this state who purchase life insurance, annuities or health and accident insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Arkansas Life and Health Insurance Guaranty Association ("Guaranty Association"). The purpose of the Guaranty Association is to assure that policy and contract owners will be protected, within certain limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of policy owners who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by the member insurers through the Guaranty Association is not unlimited, however. And, as noted in bold below, this protection is not a substitute for consumers' care in selecting insurance companies that are well managed and financially stable.

DISCLAIMER

The Arkansas Life and Health Insurance Guaranty Association ("Guaranty Association") may not provide coverage for this policy, if coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in this state. You should not rely on coverage by the Guaranty Association in purchasing an insurance policy or contract.

Coverage is NOT provided for your policy or contract or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract.

Insurance companies or their agents are required by law to provide you with this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net is called the Arkansas Life and Health Insurance Guaranty Association Act ("Act"). On the back of this page is a brief summary of the Act's coverages, exclusions and limits. This summary does not cover all provisions of the Act; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life, annuity or health insurance contract or policy, or if they are insured under a group insurance contract issued by a member insurer. The beneficiaries, payees or assignees of policy or contract owners are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons owning such policies are NOT protected by the Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized to do business in this state;
- Their policy or contract was issued by a nonprofit hospital or medical service organization, an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy or contract owner is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does NOT provide coverage for:

- Any policy or contract or portion thereof which is not guaranteed by the insurer or for which the owner has assumed the risk, such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed an average rate;
- Dividends and voting rights and experience rating credits;
- Credits given in connection with the administration of a policy by a group contract holder;
- Employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contract holders, not individuals);
- Unallocated annuity contracts issued to/in connection with benefit plans protected under Federal Pension Benefit Corporation ("FPBC") (whether the FPBC is yet liable or not);
- Portions of an unallocated annuity contract not owned by a benefit plan or a government lottery (unless the owner is a resident) or issued to a collective investment trust or similar pooled fund offered by a bank or other financial institution);
- Portions of a policy or contract to the extent assessments required by law for the Guaranty Association are preempted by State or Federal law;
- Obligations that do not arise under the policy or contract, including claims based on marketing materials or side letters, riders, or other documents which do not meet filing requirements, or claims for policy misrepresentations, or extra-contractual or penalty claims;
- Contractual agreements establishing the member insurer's obligations to provide book value accounting guarantees for defined contribution benefit plan participants (by reference to a portfolio of assets owned by a nonaffiliate benefit plan or its trustees);

LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Guaranty Association is obligated to cover: The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Guaranty Association will pay a maximum of \$300,000 in life and annuity benefits and \$500,000 in health insurance benefits -- no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within these overall limits, the Association will not pay more than \$300,000 in disability and long term care benefits. \$500,000 in health insurance benefits. \$300,000 in present value of annuity benefits, or \$300,000 in life insurance death benefits or net cash surrender values-- again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages. There is a \$1,000,000 limit with respect to any contract holder for unallocated annuity benefits, irrespective of the number of contracts held by the contract holder. These are limitations for which the Guaranty Association is obligated before taking into account either its subrogation and assignment rights or the extent to which those benefits could be provided out of the assets of the impaired or insolvent insurer.
